

NATO SEE Panel Meeting 2013

Sonistics would like to thank the Hellenic Navy for their hospitality during the week of the OPS/SEE Panel meeting. Athens is an amazing city and delegates enjoyed the Industry Reception sponsored by Atlas Elektronik UK, BriarTek, Mobilarm, QinetiQ, ThyssenKrupp Marine Systems and Sonistics. Many thanks to these companies for an enjoyable and informative reception.

The beautiful city of Athens made an enchanting backdrop for the meeting and social events; below is a selection of images taken during the week.

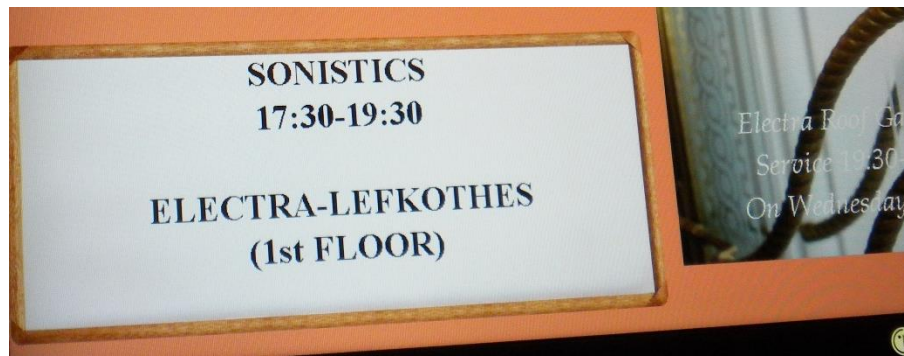

Delegation

At Work

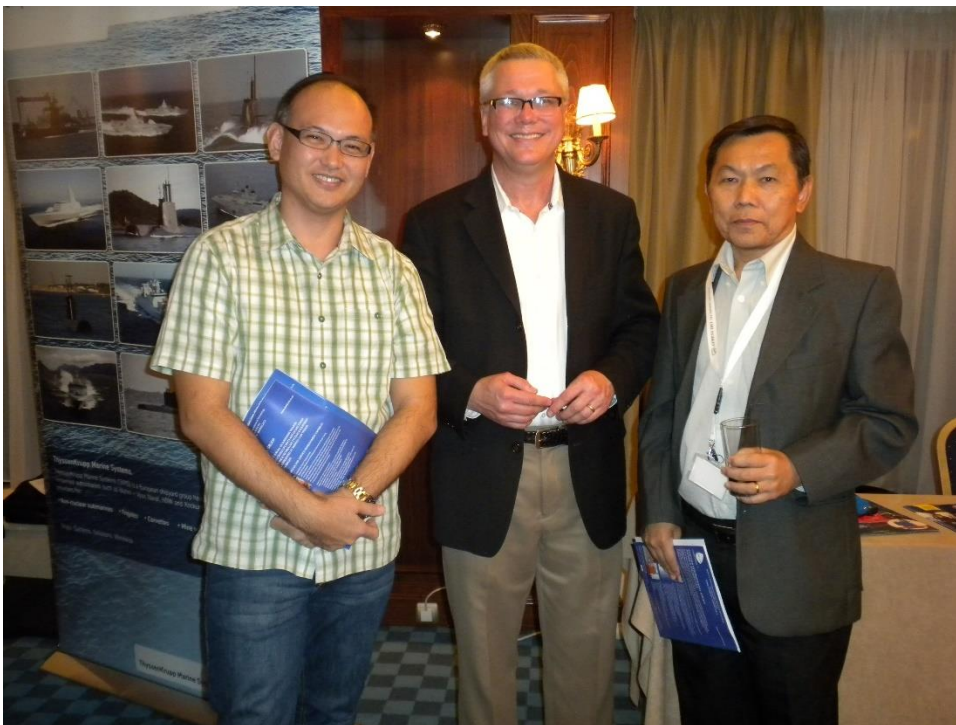

Industry Reception

Gala Dinner

Beautiful Athens from the hotel!

Last supper out with friends

From the UK, Netherlands, Ireland, Poland and the USA
