## ELECTRONICS EXPERIENCE

### From 1968 to 1972

I worked for Plessey Telecommunications, servicing Hf and Lf Telecommunications equipment .After being with Plesseys for a few months , I started day-release studying for my City & Guilds in Telecommunications. After being with them over one year , I started on the Installation Division,installing S.S.B. and AM equipment (transmitting and receiving standby power supplies) I.E. for the Post Office , also doing maintenance on small coastal radar stations.

### In 1970

I passed my City & Guilds in Telecommunications . While I was still at College , I studied for my R.A.E. , Radio amateurs Exam . This enabled me to run my own amateur Station.

I left Plesseys and after a six week advanced diving course , I started to work for Advanced London Diving , cutting piles at Plymouth . When that job was over , I started for Mobell Marine as a Electronics Engineer/Diver, servicing their Hydro Products Hand Held C.C.T.V. System . The other C.C.T.V. Systems I have serviced have been S.S.S. Hand Held and Well head systems.

In 1979 I was sent to San Diego by Oceaneering for a 225 ROV .Since 1979 I have worked on many contracts using R.O.V.s .I have piloted many work class and eye ball vehicles Rascal , Dart, super Dart , Hi Sub , Cetus , Scot Sub , Scorpio , Super Scorpio , Scorpi , Triton , Scorpion , Sea Owl , Sea Hawk , U.F.O. , Duplus , Rig Worker, Mantis , Sprint , Mongoose , Sea Rover, Hyball , Sea Eye 600 , Sea Eye Boxer , Sea Eye Surveyor , Sea Worker , S.O.P. , R.O.D.s , Phantom, 225,Pioneer, Consub , Super Achille , S.C.V. , Hakuyo 2000 , Sea Eye Tiger , Sea Eye Falcon ,Panther , Mini Astrix , Comanche , Sea Eye Cougar , Super Mohawk and UHD

### Dive Systems Experienced with

Kinergetics E.C.U.s Hotwater Units and Scrubbers also D.U.I. Hotwater Units.

Communications Systems worked on Helle Helium - Air Descrambers , air radios and through water comms.

Makes of chambers and bell have been mainly Aqua-Logistics and C.G. Doris.

As well as working on ROV Equipment I have also serviced survey Equipment , Side scan & Magnetometers.
