

SAMAP 24 Industry Opportunities

Submarine Air Monitoring and Air Purification (SAMAP) Symposium 2024

29 April to 2 May 2024
Marine Kazerne Amsterdam
Kattenburg Straat 7
1018 JA, Amsterdam

Sonistics is privileged to be co-ordinating the administration of SAMAP 2024 where there are opportunities for industry to be part of an exhibition being held alongside the symposium.

There will be a static exhibition for the duration of the conference for a maximum of six companies.

Benefits of supporting this important meeting include: -

- Logo placement on SAMAP web page with link to company website
- Exhibit space from 29 April to 2 May 2024
- Free attendance of the SAMAP 2024 Symposium for 1 delegate
- Reduced fees for additional delegates
- Free attendance of social events for 1 delegate

Price to cover the above: £1,050 net
